

TRANSPORTATION: PEDESTRIANS AND PASSENGERS COMMITTEE

Committee met March 19, 2009

Present: Commissioners Jan Metzger and Sheila Kailus; Committee members Daniel Dean, Ben Helphand, Lisa Phillips and RJ Seidel; Staff Jamie Simone

The majority of our meeting was spent discussing the budget for 2010. We also viewed a RedPost Presentation of bus tracker by Eric Kanagy. All members of the Committee were impressed by the Presentation. We will review the proposal submitted by RedPost and bring our recommendation to the Commission at the May meeting.
