

Bikes Notes

Transportation/Bikes Committee Report

Present:

Brandon A, Payton Chung, Joe Hall, Eleanor Mayer, Mike Hartnett
met at the WPB Office 1414 N Ashland Ave Wed. 3/10/10.

Report Prepared by: Joe

The following items were addressed.

1. We asked Eleanor to investigate the mechanics of participating in the Bicycle Commuter Challenge, a tax free income program, for bicycle related purchases.
2. We decided to issue a RFP for bike valet service at the three neighborhood festivals we've supported in the past.
3. Although there doesn't seem to be a firm plan for a bicycle commuter station in the neighborhood, we agreed to provide support similar to last year.
4. In light of the above and our continued support of the Get Lit program, we decided to purchase the budgeted promotional materials.
5. Concerning the Project of the Year our initial support will be to advocate for increased bike parking at the Milwaukee/Wood intersection.
6. We are looking at various types of Bike Festivals to promote for our SSA this year.
7. We are also trying to stay abreast of the developments of the Bloomingdale Trail as come up.
8. Finally to pursue the issue of bicycle parking adjacent to the Post Office's new location, we hoped sheila could point us in the right direction?

Our next meeting is wednesday, May 5, 2010 at 7:00p.m. in the wpb office.
